

**MISS WILMINGTON . . .** Fifteen-year-old Mary Jane Francis of Gardena has been named Miss Bathing Beauty in the Miss Wilmington contest sponsored by Hunt Rambler. Miss Francis also was an entrant in the Miss Ascot Park and the Palm Springs Bikini contests.

**Library Gifts Announced By President of College**

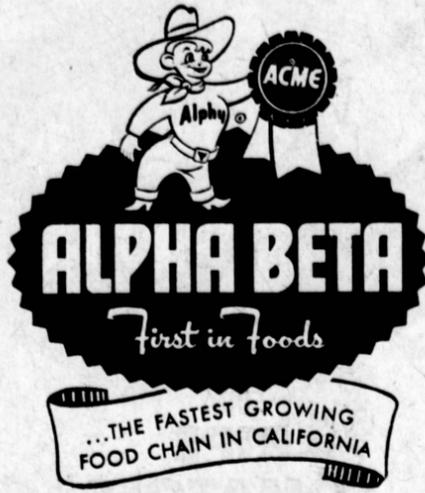

Assisting in the establishment of a substantial library for the new California State College at Palos Verdes are numerous donors of books and periodicals. Three sets of scientific periodicals valued at more than a thousand dollars have been presented to the college library by Mr. and Mrs. Fred Woerner of Los Angeles. Leo F. Cain, president of the college, announced that the gift at this time will assure an excellent collection of chemistry periodicals on library shelves when the college opens in 1965. The gift from Mr. and Mrs. Woerner includes more than 20 years of issues of Chemical Engineering, Industrial and Analytical Chemistry. Among area residents who have given books and periodicals to the college recently are Mrs. Eltinge Grinnell of Rolling Hills; Mr. E. R. Hollman, Mr. and Mrs. R. L. Linder, and Mrs. D. F. Dyrsmid of Palos Verdes Estates; Mr. and Mrs. Dudley Cook, and Mr. and Mrs. J. H. Robinson of San Pedro; and Mr. and Mrs. Otto Ledford of Torrance. Other prospective donors are invited by Leo F. Cain, president of the college, to telephone the college librarian at 377-6837 for pick-up service.

**Vacant Buildings Must Be Secured for Safety**

Vacated buildings which become health and safety hazards to neighborhoods must be closed and secured under new ordinances authorized by Supervisor Kenneth Hahn. Hahn initiated the legislation because buildings left vacant (many times by absentee landlords) are open and accessible to juveniles, transients, and undesirables, and present a nuisance, fire, health and safety problem to adjacent homes. The County Engineers now has the authority to order the owner to board up the building to prevent unauthorized persons from gaining access. If the required work is not performed within 10 days, a sister ordinance gives the County Mechanical Department the authority to close the building and charge the owner for the cost. Owners cited under the ordinance have the opportunity to explain the situation in a hearing. "It is not healthy or safe for structures to be left open to deteriorate," Hahn said. "They draw youngsters who could be hurt while searching around, and also create an atmosphere attracting transients and undesirables." Hahn pointed out the County Engineer will cite such structures on recommendation from the Health Department, Fire Department, or his own Building and Safety Division.

**Fire Prevention Week Scheduled**

October will mark the 42nd anniversary of National Fire Prevention Week, one of the oldest and concerted safety information campaigns in the nation.
